A Bentley Story

Snow Day Story-Time Pack

To share with Bentley and the Big Snow Day: four questions, one cosy activity and a page to colour.

Let's talk

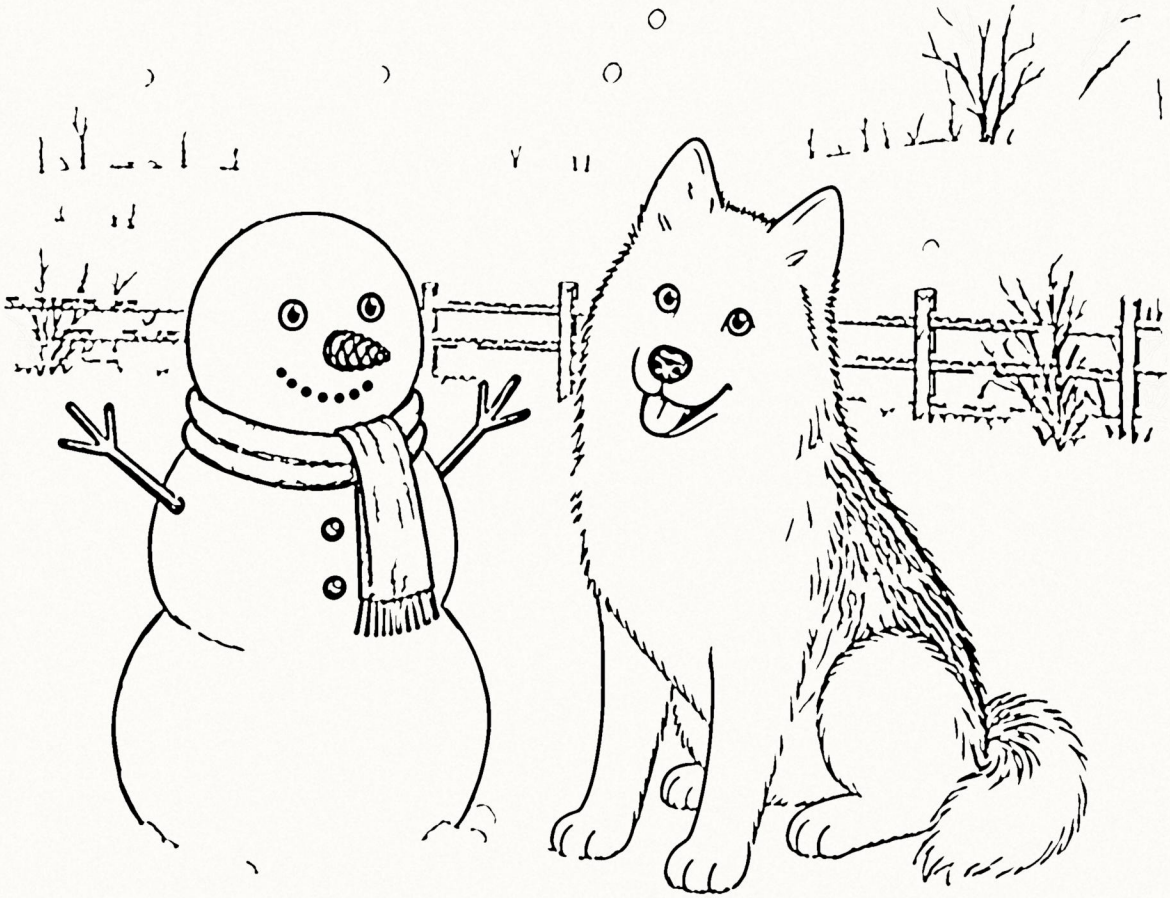

1. Bentley has one blue eye and one brown eye. Who else in the story has eyes like that?
2. Who ate the snowman's carrot nose? How do you know? (Look at his whiskers!)
3. What do you love to do on a cold, snowy day?
4. Bentley is happiest when his whole pack is happy. Who is in your pack?

Make a Bentley snowman

1. Glue cotton wool or torn white paper onto two paper plates, one big and one small.
2. Give him a carrot nose cut from orange paper.
3. Add two eyes: one blue and one brown, just like Bentley!
4. Finish with a paper scarf and twig arms from the garden.

Grown-ups: please help with scissors and glue. If you use real buttons, keep them away from children under 3 (choking hazard).

Colour in Bentley and the snowman!
